Click the link attached.

Set up of the stock taking catalogue Document

MOVING FORWARD

- Uploading of catalogue and other contents;
- Acquire domain name and website set up;
- Synched social shops and website.

NEEDED

Funds for site asset setup; as the META shops acquire content from the website, Thereby creating a good sync.

Catalogue data for catalogue update.

If all is available; Project to be delivered in 2 Weeks Time!

Thank you for the patience so far, it is greatly respected and never taking for granted.

I greatly appologize for the delay so far but full setup will be delivered in the next two weeks if everything is made available.

Other creatives are attatched to this document!
